A. P. V. A. TO BESTOW

by Body.

Bestowal of a scholarship upon andidate nominated by the Assoc tion for the Preservation of V/r nia Antiquities was proposed af a cent meeting of the organization by or. J. A. C. Chandler, president of fillium and Mary College. The ascelation indersed the idea. Mr. J. aylor Ellyson presided, and since of importance was fans-

usiness of importance was fansvied.

Mrs. Ellyson presented an interting resume of her summer's work,
hese labors consisted largely in the
erfecting of plans here, at Jamesswa and in New York for Virginal's
art in the welcoming of the visiors from England who cam' to our
lores to represent the Sulgrave Initution. Through George Gordon
attic and his committee in jew York,
the association was represented. Mrs.
thitoot, at Jamestown, fere than
the expectations of hose who
are ally had reason to know that she
solid capably fill a position calling
or manifold gifts. The brief stay
the visitors in Richmand had also
assed off auccessfully. Mrs. Ellyson
bied among a vast number of letors received and ansfered during
te summer, one from Colonel S. H
once asking that permission he

UAKER-THE PIPELESS FURNACE

AND THE RESIDENCE OF THE PARTY OF THE PARTY

Built of Boiler Plate Steel Not Cast Iron

All Pipeless Furnaces look much alike OUTSIDE, but inside they are vastly different. That is why we have cut away the casing in the picture. We want you to see just how the Quaker is made INSIDE. We want you to know why we build the entire heating chamber inself of heavy, thick boiler-plate steel, cold riveted. absolutely gas-tight and dust-tight. Our free catalogue for the asking. Send Post Card or telephone Randolph 1802 today.

BECAUSE

It is absolutely impossible for gas to penetrate steel. It does 1 not become porous when hot, as does cast iron. 9 Steel radiates heat three times faster than cast iron.

Steel will not crack and break with heat.

All steel makes a furnace expand and contract evenly as one Steel makes it possible to build an absolutely tight furnace

Every Quaker Furnace Guaranteed

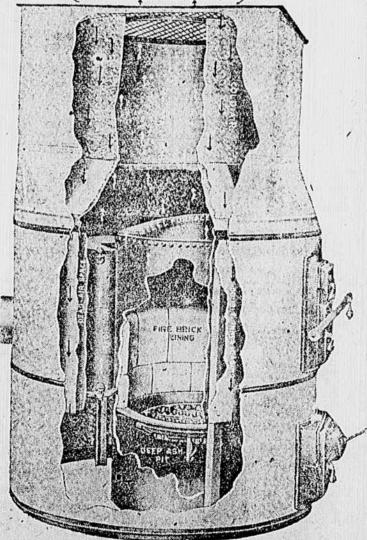

in writing to heat your building to "YOUR ENTIRE SATISFAC-TION." Material and workmanship fully guaranteed against defects for 5 years from date of installation.

Ten Other Features You Will Appreciate .

No separate cold air registers to install. No cast iron fire pot to crack. No cast iron parts to replace. No cement joints to leak. Fire doors ground to fit air tight. Generous water pan with handy outside filler keeps air moist, clean and pure all the time. Extra large combustion chamber. Special hot blast fuel saver. Fire pot lined with high temperature fire brick. Revolving triangular grates without bolts, screws or pins. Quaker Steel Pipeless Furnaces are made in four sizes—18, 22, 26 and 30-inch fire pots. Delivered quickly to your dealer from nearest warehouse. It is not too late to enjoy a Quaker Furnace in your home this winter. Send for free catalogue.

STAMPS FOR CONFERENCE

international Postal Men Honored by Interesting Collection Made for Their Use. MADRID, Nov. 6.—An interesting collection of special stamps was is-

sued by the Spanish government for ternational Postal Congress. It comprised stamps of thirteen different denominations, each of a different color. The upper half of the stamps bears a bust of the King looking toward the left and wearing his crown. In the center is a picture of the new post-office in Madrid. A ribbon encircles the pictures bear-ing the letters "VII. C. de U. P. U."

HENRYR.
HAASE inc. 207 * Broad

The Secret of

HENRY R. HAASE Quality
At Low Prices

The prices on the fine Seal Coats, Dolmans, Wraps, etc., of the genuine Haase quality, are based on the market conditions of today—just the same as if they were bought at the prices now existing.

By this the Haase patron greatly benefits. It means Haase quality at fair prices—prices that discourage the waiting for an improbable slump. Note the timely offerings below, and how extremely reasonable they are, quality, of course, considered.

Fine 30-in. Hudson Seal Coats

These Coats are the finest quality Hudson Seal, 30 Inches in length, with best quality natural American beaver shawl, collars and deep bell cuffs, now 8475. Those with the beaver collars only are now offered at \$450, and the All-Seal Coats

Handsome 36-in. **Hudson Seal Coats**

These are the finest Haase American beaver collars and suffs now on sale at \$675. The All-Seal Conts are \$590. These have unusually targe, handsome collars and deep bell suffs. All have belts and are beautifully lined with silk.

Novelty Designs in Wraps, Dolmans and Coats

This week we are also featuring an unusually attractive display of novelty designs in Wraps, Dolmans and Coats, with finest natural skunk collars and

Also a very clever showing of handsome Scottish Moles, Dolmans and Coats.
